'UNIVERSAL' BUDGET LATCH & FITTINGS

This simple 'deadbolt' latch has become an industry standard. Basic model is mild steel construction, with options in stainless steel or with moulded bolt. Two sizes of operating keys are available and diecast escutcheon covers can be fitted to conceal panel aperture.

Simple 'deadbolt' latch operated by 8mm square follow-bush.

Non-handed design, with bolt able to travel 180° through case but held positively in open and closed positions by concealed spring.

Bolts or rivets through fixing holes through top & bottom plates

Yellow zinc plated throughout, with mild steel models.

Moulded nylon bolt (black) as option with mild steel model. All-stainless latch for corrosion resistance (food industry, etc.).

T-Keys are in malleable iron, burnished & lacquered, and suit all 8mm square follow-bushes.
