

# PARCEL pod

www.parcelpod.com

*High quality home shopping solution receives parcels and post whilst you are away or at work, offers high security and large capacity, available in two sizes and various colours.*

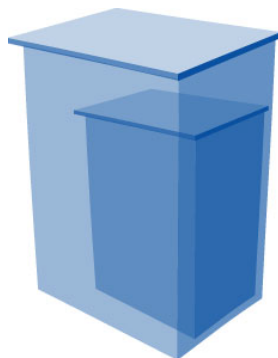

This ParcelPod 'Deluxe' offers high security and high capacity with the added convenience of a front opening door for parcel and mail retrieval.

All models of ParcelPod are of powder coated zintec steel construction with stainless steel hinges and gas stay assisted chutes for ease of use and safety.

Three acting rod lock (see left) ensures that front opening door is secure.

Size: H 770, W 535, D 385  
Max Parcel: H 160, W 470, D 200

The ultimate 'mailbox' accepts mail and parcels like no other mailbox can!  
Only 58cm high!

This is our most popular ParcelPod and is ideal for most applications.

A "Must Have" for every home.

Diagram show comparative size difference between compact & Deluxe.
