STAINLESS PADLOCKABLE COMPACT DEFEATER HANDLE - 36 mm

Stainless padlockable compact def eater handle equipped with a built-in spring loaded insert, providing a def eater function making the handle compliant with two-handed safety operations requirements. To operate the handle, turn the insert, push the trigger and turn the handle. The cast-in threaded steel shaft allows simple cam adjustment. Removable stop for clockwise or counter-clockwise operation. Supplied with nut, screws and gasket. Protection degree IP65.
