

SINGLE-POINT CAM WITH PROJECTION

Single-point cams for use with housings with external limitation of rotation.

096001 is a protective plastic cap for cams. The cap fits on the end of the cam and will prevent scratching of coated surfaces, prevent rattling and make cams operate smoother.

* Straight cam

A shows the projection.

C = Housing length.

H = Outside face to engagement point of cam.

Other lengths and versions available on request.

MATERIAL:

Steel, zinc plated or stainless steel (304) or acid-proof stainless steel (316).

Protective cap: PVC.
