

Universal LH / RH

HANDLES AND KNOBS FOR QUARTER TURN LATCHES

Handles and knobs for quarter turn latches in two versions:

For standard insert: The handles can be mounted afterwards, parts do not protrude during transportation. Supplied with screw and screw cover.

Cast-in insert: Any application requiring a permanently fitted handle.

MATERIAL:

Handles, knobs and covers: Zinc die-cast and/or glass fibre reinforced polyamide (PA6).

Screw: Steel, zinc plated.

Washer: Steel, zinc plated or stainless steel (304).
